

A close-up photograph of a person's hand holding a silver pen, poised to write on a lined notebook. The notebook is open and resting on a laptop. The laptop keyboard is visible in the lower-left corner. The background is softly blurred, showing more of the laptop and the person's arm. A semi-transparent red banner is overlaid across the middle of the image, containing the text 'Is there an easier way?'. Below this, a dark grey banner contains the text 'How AssetWorks' CAM can help'.
